

## MONTHLY JOB SAFETY ANALYSIS SCHEDULE

BGP Crew 8622

	Jan-21	Feb-21	Mar-21	Apr-21	May-21	Jun-21
Survey Dept			1		1	
Vibrator Dept				1		1
Recording Dept			1		1	
Mechanical Dept			1		1	
Seismologist				1		1

*It is each departments head responsibility to complete one JSA as per above schedule , plus when a new job arises or a new piece of equipment is to be used.*

*A JSA can be completed on a specific job that each department carries out during its daily task. Whether it is an office task or one in the workshop/field.*

*Please ensure effort/thought is put into performing the JSA, this will produce information that can be utilized to ensure safe practises are carried out, this will generate a higher degree of safety towards the job reviewed.*

*Use the JSA format to make HSE procedure for a new job, and use the JSA to review the present procedures.*

*All JSA's complitd to be handed to the HSE Advisor for review.*
